## Preveleke za protidrsne blazine

The snugly fitting covers, zips, straps and reinforced corners are sewn with special machines to provide constant and troublefree use. Cover: Gym mat material on polyester fabric. Seam: Strong nylon yarn with high tear resistance. High-quality, concealed zip on one of the short sides.

# Gymnastic mats

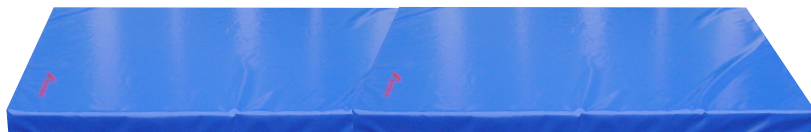

According to standard **SIST EN 913**

## COMBINATION MATS - MULTIFUNCTIONAL - Core made of polyethylen foam, 30 kg/m3

Joining free of gaps

With their gap covering Velcro flaps all Combi Mats can be safely joined together to form large mat areas with a smooth surface for safe use in the kindergarten, school or club sports.

## WALL BAR MAT

Wall bar mat is very useful mat with many advantages. It covers wall bars when they are not use and gives them protection from balls or children hitting in them. On the other side it is an easy storing room for mats that will be later used for floor exercise or gymnastics.

Mat is attached to the wall bar with belts and velcro straps. Mat size: 164x82x6cm.

# Joga, Fitness

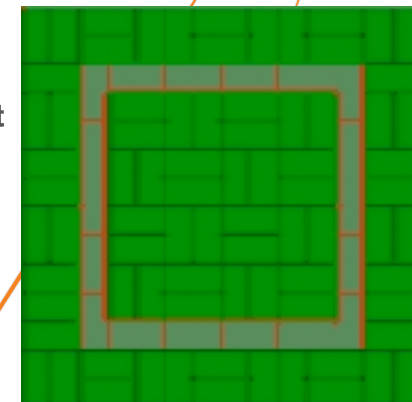

## JUDO MATS

Quality complies with regulations:

- dense chip compound foam faced on both sides
- surface and sides made of olive green or red vinyl with rice straw pattern
- welded corners
- antislip base

Usually a mat size of 100x100x4cm is recommended, as any fighting area can be arranged, and to complement the judo mats in a kit system. Red mats identify the combat area in accordance with international regulations.

## JUDO MAT DOUBLE COMPETITION

For judo and aikido. The gearing provides a fixed attachment of the mats, so it can be individually arranged and loosely layes on any surface. The DOUBLE COMPETITION features on both sides and can be used double sided. Mat size: 100x100x4cm.

## KARATE MATS

Kaekwondo and other Martial Arts.  
Size: 100x100x2,5cm.  
Double colours and reversible.
